

LATEST NEWS

Swimming Upstream - sustainable in challenging times?

Understand Shaun McCarthy's views on the progress towards "the most sustainable Olympic Games ever" in the annual review from the Commission for a Sustainable London 2012.

Addressing the environmental impacts of Government procurement

Find out how the Government is progressing against its target to be one of the EU leaders on sustainable procurement by 2009 in the Nation Audit Office report.

Update on the UK Government's timber procurement policy

Learn about the recent changes to the UK Government's timber procurement policy that recommends the procurement of sustainable timber as a minimum requirement in timber procurement.

Getting value for London: Using procurement to make a positive difference for our city

Read the Mayor of London's review of responsible procurement in London and the results of the 2009 survey of GLA suppliers.

TRAINING COURSES AND EVENTS

Please find below all of the current scheduled training events. If you have specific needs that are not met by these courses, please do not hesitate to contact us.

Sourcing Sustainable Solutions, 23rd June 2009, City of Manchester Stadium, Eastlands, Manchester

Join United Utilities, Interserve FM, Leeds City Council plus many more to increase the sustainability of your supply chain and discover innovative suppliers who can lessen your environmental impact at our Sourcing Sustainable Solutions event.

Sustainable Supply Chains, 7th July 2009, St Mary's Stadium, Southampton

Does your organisation operate in the South East? Do you want to be working with more local innovative suppliers of sustainable products and services? If so, Sustainable Supply Chains can help you do just that. For more information on this event or to learn more about Sustainable Supply Chains through Innovation (SUSCIN) [click here >>](#)

CPD accredited sustainable procurement training courses

Practical and hands on training that will enable you to discover the tools and techniques of sustainable procurement.

Current course schedule:

- 10th June, London
- 22nd June 2009, Manchester

If you have any specific needs that are not met by these training courses, read more about our bespoke [training options](#) or contact **Emma-Jane** on 0207 700 0008.

CASE STUDIES

Delphic Eco

Not content in supplying ecological cleaning products to the commercial & industrial sectors, Delphis is now supporting smaller businesses who are keen on green.

SUPPORTED EVENTS

Sustainable Supply Chain Construction Summit, 18th-19th May 2009, Business Design Centre, London

To benefit from discounted delegate places, quote 'Action Sustainability' when booking on.

Sustainability Live, 19th -21st May 2009, NEC, Birmingham

Come and meet us at our stand at the UK's largest gathering of suppliers and buyers.

Sustainable Events Summit, 22nd May 2009, One Wimpole Street, London

With sustainability currently a huge issue in the events industry, and organisers eager to learn best practice which will allow them to implement sustainable measures, this is a timely moment for this summit to take place.

Sustainable Procurement 09, 30th September 2009, QEII Conference Centre, London

Bringing together key public sector procurement professionals to discuss and debate how effective sustainable and responsible procurement practices will affect the social, environmental and economic conditions of towns and cities across the UK.
