Our training credentials

Creator and delivery partner for the supply chain sustainability school

Action Sustainability are the delivery partner for the Supply Chain Sustainability School which provides eLearning materials and leading initiatives through its collaborative special interest groups. The School is successfully raising sustainability capability across the infrastructure and construction sectors.

The School currently has more than 115 Partners, and over 40,000 users with 100 eLearning resources to access.

"The school has helped us win numerous contracts worth in excess of £1million"
Steve Marsh – Roofline

We deliver courses and bespoke training to multiple clients across sectors

We have trained many organisations from many sectors in various aspects of sustainability, from procurement to modern slavery and carbon. Sectors include construction, infrastructure, healthcare, government, FMCG / retail, manufacturing, transport, and aerospace. Our client base includes the following:

British Land, Balfour Beatty, Boots, Cobham, Crown Paints, engie, Carillion, Land Securities, Peel Group, Grosvenor, MOD, EMCOR, Network Rail, TfL, Carillion, Arriva Group, Scottish Ambulance Service and First Group

Balfour Beatty

Action Sustainability's training on ISO 20400 gave me new insight on the standard and solid, implementable skills and advice for further embedding our sustainable procurement practices. **Martin Ratcliffe, Procurement Manager, Hammerson plc**
